

G-V-A-017
Toby A. Truban Farm
Kempton
Private

Late Nineteenth c.

This two story, three bay by two bay, gable-roofed frame dwelling is a house type commonly built in Garrett County from the late nineteenth to the early twentieth centuries. The removal of its two story rear wing, the rearrangement of its interior partition walls and staircase, and the addition of a cement block foundation, modern window sashes and asbestos shingle siding detract from the integrity of this building.
